

"My name is Rhonda Heisler, and my husband and I, ages 75 and 74, are voters from Bloomfield, CT. Passing both S.B. 184 and H.B. 5262 (Continuing Absentee Voting in 2022 due to COVID19) is extremely important to us because we have voted in every election since age 21, and while Covid 19 persists and affects our decisions on gathering in public, we value our ability to cast our votes safely, by absentee ballot, in every local, state, and national election held in 2022.

More than 650,000 Connecticut voters voted by absentee ballot in the 2020 CT General Election—which means they voted early, safely, and on their own schedules. This led to record-breaking 80% voter turnout. Listen to the voters, the choice is clear. Please protect the freedom to vote and pass S.B. 184 and H.B. 5262.

Thank you.
